Fjergen

2 day husky tour - 4 days / 3 nights – Thursday to Sunday

On this adventure you drive your own team of 4 to 6 Alaskan huskies. Everyone helps with taking care of the dogs. Suitable for anyone who wants to try dog sledding, experience the outdoor wilderness in the snow and maybe tempt you to try a longer expedition next time!

Friday

Meet at Trondheim airport and transfer to accommodation where you can relax and settle in, go for a walk or visit the dog kennels and meet the huskies. They love to be petted and you can visit them at any time and you can help to feed them also. Or maybe you just want to relax with a good book in the lounge. Dinner, overnight in guide's house or nearby cabin.

Saturday/Sunday

After breakfast we get our suits and boots and then learn how to harness the dogs and manage the sledges. The next two days the guide will take you out on a dogsled tour of approximately 15 to 35km. The guide will give you instructions of how to handle the dogs and sled, and you will get your own team on 4-6 dogs which will take you out in the beautiful winter landscape. After the first day dog sledding we make the dinner in the lavvo, or outside on a fire. The guide will also teach you how to make yourself comfortable when sleeping in the lavvo/tipi. The following day we continue through the beautiful landscape arriving back at the kennels in the afternoon. Overnight in guide's house.

Monday

After breakfast we say goodbye to the huskies and then transfer to Trondheim airport.
