

Norwegian Mountain Safaris

Fjergen

2 day husky tour - 4 days / 3 nights

Monday:

Meet at Trondheim airport and transfer to accommodation where you can relax and settle in, go for a walk or visit the dog kennels and meet the huskies. They love to be petted and you can visit them at any time and you can help to feed them also. Dinner, overnight in guide's house or nearby cabin.

Tuesday/Wednesday

After breakfast we get our suits and boots and then learn how to harness the dogs and manage the sledges. We take a daytrip with the dogs 15 to 30 km around in the mostly wooded landscape. If the weather allows us we also may go up on the mountain plateau. The daylight is short in November so we also may use a headlamp for some part of the tour. After the tour we go back to the warm guide's house and have dinner, and you are able to take a shower and sleep in a warm room in the guide's house or in a cabin nearby.

Thursday

After breakfast we say goodbye to the huskies and then transfer to Trondheim airport.
